<b>Objective(100 words)</b>	The session on motivation by a successful entrepreneur was organized to ignite the thought process towards entrepreneurship / startup. Target audience was given the opportunity to think about the multiple opportunities available in and around them. To identify a problem in a solution and cater to the needs to solve that problem. The near future market will be driven by this model.	
<b>Benefit in-terms of learning/skill/knowledge obtained</b>	The students were able to think and adopt the strategy of setting up a startup with the solution to the problem which is hidden in the existing solution. Got exposure to upskill their skillset through the benefits hidden in the internship provided by the companies in the domain of their interest.
