Objective	<ul style="list-style-type: none">➤ To enhance the entrepreneurial skills and competencies of participants through targeted training sessions and workshops.➤ Facilitate networking among participants and mentors to foster collaboration and partnerships.➤ Provide guidance and support in developing business ideas into viable products or services.➤ Offer a platform for receiving constructive feedback on business models and strategies, promoting iterative improvement.➤ Showcase successful incubatees as role models and inspire participants to strive for excellence and innovation in their ventures.		

Benefit in-terms of learning/skill/knowledge obtained

The incubatees got benefited with essential skills needed to launch and manage a start-up, such as business planning, marketing strategies, financial management, and pitching ideas to investors. The bootcamp brought together participants, mentors, and other startups, provided valuable networking opportunities for leading to collaborations, partnerships, and mentorship relationships that are crucial for entrepreneurial success. Hands-on activities for developing a business model canvas helped them apply theoretical knowledge in a real-world context. They received feedback on their business idea from experienced mentors and instructors. This helped them refine their concept and improve their execution strategy. The learning on usefulness of co-working spaces, legal advice, funding opportunities, and software tools available at NHCIIE Incubation Centre would support their startup journey. Several case studies and success stories about successful entrepreneurs shared by the resource persons have provided valuable insights and inspiration to them.
