Objective(100 words)	The objective of the session on Accelerator/Incubation is to provide students and faculty members with comprehensive insights into the opportunities available in the field of startup incubation and acceleration. The session aims to foster an entrepreneurial mindset, facilitate the understanding of incubation processes, and provide guidance on how to leverage these opportunities for business model development, service		

enhancement, and process innovation.

Benefit in-terms of learning/skill/knowledge obtained (150 words)

Participants gained valuable knowledge about the intricacies of the incubation and acceleration ecosystem, including the various stages of startup development, support mechanisms available, and the role of incubators and accelerators in nurturing innovative ideas. The session provided practical insights into the challenges and opportunities in the startup landscape, enabling participants to better prepare for entrepreneurial endeavors. Additionally, the networking opportunities with industry experts and peers helped in building connections that could be beneficial for future collaborations and ventures. Overall, the session equipped participants with the necessary skills and knowledge to navigate the startup ecosystem effectively.
