Title	Awareness on Unlocking Financial Opportunities: Capacity Building for MSME Funding	
Department	Department of Research and Development	
Date	From: 28.08.2024	To: 28.08.2024
Time	From: 11:00 AM	To: 01:00 PM
Brief Description (4-5 Lines Max)	<p>understanding MSMEs and IEDS provides insights into real-world applications of engineering principles and the impact of innovative design on industry. For faculty members, incorporating MSME and IEDS concepts into curricula can enhance the educational experience, preparing students for dynamic careers in engineering. To focus on the Awareness on Unlocking Financial Opportunities: Capacity Building for MSME Funding a seminar was organized by the R&amp;D department in association with NHCE IIC and IEEE IES Bangalore Chapter on 28.08.2024.</p> <p>The session was hosted by poojitha of the 6th Semester EEE student and started with a Welcome Note to our speaker, to all the faculty of the NHCE The seminar was preceded by a short talk by the PRINCIPAL. In his talk, he emphasized the importance of the program how to go about enhancing it.</p>	

It was a very informative and interactive session where students came to know about the rightful ownership and preventing the unlawful use of your property. The event ended with an honorarium to the Speaker and a vote of thanks. Feedback was taken in order to analyze the effectiveness of this seminar. It was found that the seminar was an excellent event and found the information imparted to them relevant.
