## Event Report

Title	<b>Hands-on-Training on LaTeX</b>	
Department	Research and Development	
Date	From: 22.03.2025	To: 22.03.2025
Time	From: 09:30 AM	To: 12:30 PM
Brief Description (4-5 Lines Max)	<p>Department of Research and Development of New Horizon College of Engineering organized the Hands-on-Training on LaTeX held on 22<sup>nd</sup> March 2025, Saturday, between 09:30 AM to 12:30 PM in association with IEEE Industrial Electronics Society Bangalore Chapter and IEEE IELS SBC at B108 IOT Lab. Dr. Prashanth K K, Assistant Professor, Department of Applied Sciences, New Horizon College of Engineering served as Resource Person for this programme. Training was designed for academics, researchers, and students seeking to enhance their skills in writing research papers using LaTeX, a powerful typesetting system widely used for technical and scientific documentation. The event aimed to provide participants with practical knowledge on how to use LaTeX to format and produce professional research papers. Topics covered included document structure, citation management, formatting equations, handling tables and figures, and more. LaTeX's capabilities for creating high-quality documents, especially for academic papers, were highlighted throughout the Training Programme. Feedback from participants was overwhelmingly positive. Attendees appreciated the clear explanations, the hands-on approach, and the practical tips on mastering LaTeX for research papers. Many mentioned that the workshop significantly improved their confidence in using. Some participants expressed interest in future advanced LaTeX training programme focusing on more complex aspects like academic journals and thesis formatting. 34 faculty members are benefitted.</p>
