

## Department of Research and Development

### Institution Research Ethics Committee (IREC)

#### Minutes of Meeting

Date of Meeting: 13.03.2025

Time: 03:30 pm - 04:45 pm

*"A meeting of the Institution Research Ethics Committee (IREC) was held at 03:30 pm on 13<sup>th</sup> March 2025 at the Principal Conference Room to discuss various issues pertaining to Ethical Code of Conduct in research"*

#### **Agenda**

1. Confirmation of Previous Minutes of Meeting and Action Taken Report
2. Research Review and assessment for faculty members
3. Clearance for New Funding Research Proposals from IREC
4. Status of 48<sup>th</sup> Series of KSCST SPP Funded Project for the AY 2024-25
5. Recommendations of ATAL FDP Proposals Submission for the AY 2025-26
6. Awareness programmes on research ethics

#### **Members Present**

S.No	Name of the Member	Designation	Role
1.	Dr. Manjunatha	Principal	Chairman
2.	Dr. Vinoth Kumar K	Professor & Associate Head - R&D	Member
3.	Dr. Agalya V	Professor & Associate Head - R&D	Member
4.	Dr. Sujin Jose A	Associate Professor	Member
5.	Dr. Revathi V	Dean - R&D	Secretary

#### **Discussion**

The Dean of Research and Development read out the minutes of the previous meeting and secured the approval of the house for the same after discussion.

Principal thank R&D department for successful conduction of Quarterly Q2 Monthly R&D audit (Review) and assessment to all the faculty members as per Institution guidelines and to fulfil Research ethics from 17.02.2025 to 21.02.2025. The details of assessment are mentioned in Table 1.

Dean of Research and Development highlighted the infrastructure of AICTE IDEA Lab as well as equipment details and AICTE IDEA Lab is inaugurated on 08.03.2025. Dean R&D mentioned about the benefits of fosters entrepreneurship & startups, supports patents & prototype development, Bridges academia & industry gap, Encourages hands-on skill development

Principal highlighted the impact of AICTE IDEA Lab in terms of Innovation centers, research publications, hackathons, and skill-based learning for future-ready engineers.

The IREC approved the research proposals submitted by the faculty members of NHCE as per Table 2.

IREC decided to give NOC for sufficing eligibility of Coordinator and Co-Coordinator ATAL FDP as per the norms of ATAL Scheme Document of AY 2025-26.

- Coordinators have not awarded/conducted ATAL FDPs (both Online and Offline) in Academic Year 2024-25.
- Coordinator's is not submitting not more than 01 proposals in Academic year 2025-26.
- Institution is not awarded/conducted ATAL FDPs (both Offline and Online) in both the Academic Years 2023-24 & 2024- 25.
- Institution is not forwarding more than 05 ATAL Basic Offline FDP Proposals and 01 ATAL Offline Advanced FDPs including the proposal under reference.

Almost Ten **AICTE Training And Learning (ATAL) Academy FDP** Funding Permission Proforma received from various departments. IREC securitized the proposal about a sound domain knowledge and associated skills set to apply in real life with industry connect and equipped with Institutional Leadership skills for academic leadership as well as understanding their roles in community wellbeing, national building and also their own career development, in addition to an effectively communicate knowledge and skill sets to the students in an efficient manner and their teaching-learning effectiveness.

Based on above mentioned guidelines, IREC recommended and approved about five Proposals for 6 days / 1 Week offline type FDP and One Proposal for 12 days / 2 Weeks offline type FDP. IREC also verified proposal thrust area and sub – thrust area to meet research ethics as per the IREC Policy. The details of the submitted proposals from departments to IREC are mentioned in Table 6.

8	Dr. Rajesh G Dr. Gurulakshmi A B	ECE	Connected Healthcare: IoT, Cloud Computing, and Edge AI for medical innovation	Health Care and Med-Tech	<i>Not Recommended</i>
9	Dr. M Jayanthi Dr. P. Sudhakiran	ECE	Integration of sensors in 6G and future wireless communication	Next Gen Communication	<i>Not Recommended</i>
10	Dr. Aravind S Kapse Dr. Vandana C P	ISE	The role of AI&ML in the field of Computer vision and medical signal processing	Advanced Computing (Supercomputing , AI and Data Science)	<i>Not Recommended</i>

The recommended proposals to be submitted in ATAL Portal as per the deadline mentioned in ATAL Calender of Events.

Dr. Vinoth Kumar K, Associate Head - R&D elaborated about the Research ethics awareness programmes successfully conducted, the details are mentioned below.

1. Seminar on "Research Schemes in India and Trust area" Funding for all Science and Engineering Departments dated on 12.02.2025
2. Workshop on Mastering Professional Writing of Research Papers with LaTeX" dated on 8.03.2025.

The Ethical awareness program is scheduled on 22.03.2025 on the topic "Hands-on-Training on LaTeX" . IREC Suggested to conduct this training programme in IOT Lab – B-Block.

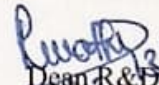

IREC approved the Faculty Development Programme on "Advancements in VLSI /Semiconductor industry and Introduction to Design for Test Methodologies" on 22<sup>nd</sup> March 2025 (Saturday) from 09:30 AM – 04:00 PM at New Horizon College of Engineering, Bengaluru. The resource person from QUA LCO MM INDIA PVT LTD, Bengaluru, India

IREC Approved to start preliminary process to "Conference Publication proposals in IEEE Xplore for technical Co-sponsorship in align with IEEE Bangalore Section and Technical Societies of IEEE Power Electronics Society Bangalore Chapter and IEEE Industrial Electronics Society Bangalore Chapter" for the conference titled "International Conference on Emerging Trends in Mobile Computing and Sustainable Informatics (ICEMCSI 2026)" during 17-18, June 2026 towards Silver Jubilee Celebration events. ICEMCSI 2026 is dedicated to explore the cutting-edge applications of mobile computing and sustainable informatics to enhance the future of mobile applications. This international conference

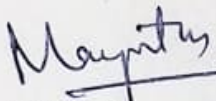

serves a forum for researchers to address mobile networks, computing models, algorithms, sustainable models, and advanced informatics that supports the symbiosis of mobile computing and sustainable informatics. The conference covers almost all the areas of mobile networks, computing and informatics.

IREC suggested about the regular updates in the Faculty Research Portals and it is mandatory that faculty members must have Scopus ID, VIDWAN ID, Google Scholar ID, ORCID, Web of Science ID but frequent updates needed in all the research portals.

The meeting ended with vote of thanks by Dr. Revathi V, Dean R&D

#### Minutes of Meeting

Date of Meeting: 06.01.2025

Time: 11:30 am - 01:00 pm

*"A meeting of the Institution Research Ethics Committee (IREC) was held at 11:30 am on 6<sup>th</sup> January 2025 at the Principal Conference Room to discuss various issues pertaining to Ethical Code of Conduct in research"*

#### **Agenda**

1. Confirmation of Previous Minutes of Meeting and Action Taken Report
2. Measures to create awareness of research ethics
3. Outcomes of Research Review and assessment for faculty members
4. Clearance for New Funding Research Proposals from IREC
5. Faculty Research Portals Updation
6. Journal Special Issues to avoid research ethical pitfalls
7. Updation in R&D Notice Boards in Departments
8. Awareness programmes for research ethics

#### **Discussion**

Dean - R&D mentioned, as we step into CY 2025, I want to take a moment to reflect on the remarkable progress we've made together over the past year 2024. Our collective commitment to Research has led to groundbreaking advancements, and I am excited for the opportunities the new year holds. This year, let's continue pushing the boundaries of knowledge, embrace challenges as opportunities, and inspire one another to reach new heights. May we continue to foster a collaborative

environment where creativity thrives and where every idea, big or small, can spark the next great breakthrough.

The Dean of Research and Development read out the minutes of the previous meeting and secured the approval of the house for the same after discussion.

Principal suggested to conduct the Monthly R&D audit (Review) and assessment to all the faculty members as per Institution guidelines and to fulfil Research ethics in addition to that R&D department will facilitate the NOC / Endorsement etc of Funding (Grants) proposal submission proformas from Principal Office. In continuation to that, it is informed that all the faculty members should submit NOC / Endorsement forms etc related to Research Grants to R&D department.

Dean of Research and Development observed that steps are to taken to create awareness on research ethics among students and faculty members. Dean mentioned about the recently received approval from AICTE to start AICTE IDEA Lab in NHCE.

The IREC approved the research proposals submitted by the faculty members of NHCE as per Table 1.

IREC approved to provide No Objection Certificate for the Project Titled "*Machine Learning-Driven apiculture system for optimizing honeynee foraging patterns, Hive Health Monitoring and colony collapse disorder prevention*" to Dr. Sonia Maria D'Souza for application process to NIDHI PRAYAS GRANT Scheme under DST.

IREC approved to provide "No Objection Certificate" for the Project Titled "*A correlational study on Probing the Mediating Effects of Self-Efficiency and Optimism on the Relationship Between Emotional Intelligence and Resilience among Students*", for carrying out research in studies on Human Subjects, by Dr. Dhanalakshmi R V, Associate Professor, Department of Management Studies, New Horizon College of Engineering, Bengaluru, as the Principal Investigator.

Dr. Vinoth Kumar K, Associate Head - R&D confirmed about the Research ethics awareness programmes successfully conducted from August 2024 to December 2024. In the same manner, it is decided to conduct the awareness programmes for the students and faculty

members about Research Ethics as per the schedule and the same should be incorporated in R&D Calender of Events for Even Semester AY 2024-25, the details are mentioned below

1. Faculty Development Programme on "Research Potential in Advanced Power Electronics & Renewable Energy" from 13.01.2025 to 24.01.2025
2. Seminar on "Research Schemes in India and Trust area" Funding for all Science and Engineering Departments on 12.02.2025
3. Workshop on Mastering Professional Writing of Research Papers with LaTeX on 08.03.2025
4. Faculty Development Programme on Advancements in VLSI /Semiconductor industry and Introduction to Design for Test Methodologies on 22.03.2025
5. Workshop on "Research Ethics" on 16.04.2025

Dean R&D thank all the faculty members and students for their excellent support interms of research publications and she mentioned about the importance of quality research in academics and publications.

Principal explained about the comprehensive contribution in providing the necessary information related to publications for the NIRF (National Institutional Ranking Framework) process as per Research Ethics Policy.

The committee suggested that, Research Publications should be showcase in the notice boards regularly. There will be separate notice board of R&D should be available in all the departments. These notice board ideas help keep the students and faculty members for motivation and engaged with ongoing projects, updates, and publication about the department R&D work. In essence, the R&D notice board acts as a dynamic, interactive tool to keep the department engaged, informed, and aligned with common goals. It supports communication flow, enhances transparency, fosters a positive work environment, and encourages a sense of community among team members.

IREC suggested that NHCE faculty members should avoid publishing the research paper in Journal special issues as per Research Ethics. Faculty Research Portals Updation review is scheduled as per the R&D Calender of Events and also IREC confirmed about mandatory that faculty members must have Scopus ID, VIDWAN ID, Google Scholar ID, ORCID, Web of Science ID but frequent updates needed in all the research portals.

The meeting ended with vote of thanks by Dr. Revathi V, Dean R&D

#### Minutes of Meeting

Date of Meeting: 21.08.2024

Time: 10:30 am - 01:00 pm

*A meeting of the Institution Research Ethics Committee (IREC) was held at 10:30 am on 21 August 2024 at the Principal Conference Room to discuss various issues pertaining to Ethical Code of Conduct in research.*

#### **Agenda**

1. Measures to create awareness of research ethics
2. Research ethics course for students
3. Research Review and assessment for faculty members
4. Clearance for Funding Research Proposals from IREC
5. Awareness programmes for research ethics

#### **Members Present:**

4.	Dr. Sujin Jose A	Associate Professor	Member
5.	Dr. Revathi V	Dean - R&D	Secretary

#### **Discussion**

Dr. Revathi V, Dean - R&D thanked all the members for the continuous support towards R&D activities.

The Dean of Research and Development read out the minutes of the previous meeting and secured the approval of the house for the same after discussion.

While introducing the issues to be discussed in the meeting, the Dean of research and development opined that there is a growing need for creating awareness among the students and research scholars on the ethical practices, particularly in the post-covid scenario.

The Principal, Dr. Manjunatha concurred with the views of the Dean of Research and Development and observed that the discussions on ethical practices in research can also be extended to addressing similar issues in the undergraduate and postgraduate programmes as per norms of VTU.

Principal suggested to conduct the Monthly R&D audit (Review) and assessment to all the faculty members as per Institution guidelines and to fulfil Research ethics.

Dean of Research and Development observed that steps are to taken to create awareness on research ethics among students. He opined that a meeting of the research supervisors can be convened to discuss the matter, and they may be entrusted with the responsibility of sensitising students on the ethical concerns.

The meeting resolved to follow the syllabus prescribed by the VTU for the Research Ethics Course prescribed for UG Students.

It was decided by all the faculty members that, hereafter, all the research proposals to various funding agency should be submitted to IREC for clearance after seeking approval from Institutional Research Committee. The IREC approved the research proposals submitted by the faculty members of NHCE as per Table 1.

#### *Discussion*

Dr. Revathi V, Dean - R&D thanked all the members for the continuous support towards R&D activities from 25<sup>th</sup> October 2023 to 27<sup>th</sup> May 2024. The Dean of Research and Development read out the minutes of the previous meeting and secured the approval of the house for the same after discussion. The Minutes of meeting is approved by IREC.

Principal suggested that steps are to be taken to create awareness on research ethics among faculty members in IPR.

The IREC approved the completed research project for the AY 2023-24 as mentioned in Table 1.

Ms. Supriya B Rao, Assistant Professor, Department of AIML presented her research proposal submission to NVIDIA Graphics Private Limited, Bengaluru for AI/DL Embedded Lab. Based on the presentation, IREC Recommended and approved the proposal to NVIDIA Graphics Private Limited, Bengaluru.

For the benefit of students and faculty members about Research Ethics the following events are planned.

1. Lecture Series on “Innovative Research Funding Proposal – An Overview” on 05.11.2023
2. Lecture Series on “project Writing & Funding Opportunities” on 08.11.2023
3. Lecture Series on “Funding Opportunities – An Over view” on 23.12.2023

4. Lecture Series on "Smart Research Articles" on 05.01.2024
5. Lecture Series on "Art of Writing Innovative Research Proposal for Funding- An Overview" on 10.02.2024

The IREC appreciated the efforts for successful conduction of Workshop on "Plagiarism in Research Papers for Students" on 18.09.2023. The workshop aims to sensitize the participants on 'Issues related to Plagiarism' and how the power of reference manager can be used in their research activities. The focus of the workshop is to provide hands-on training on "Mendeley – a free reference manager" to the participants. Plagiarism is considered as a form of misconduct in scholarly communications. The feedback is very positive and encouraging, 43 student members got benefitted from the session.

The meeting ended with vote of thanks by Dr. Revathi V, Dean R&D
