Event Report

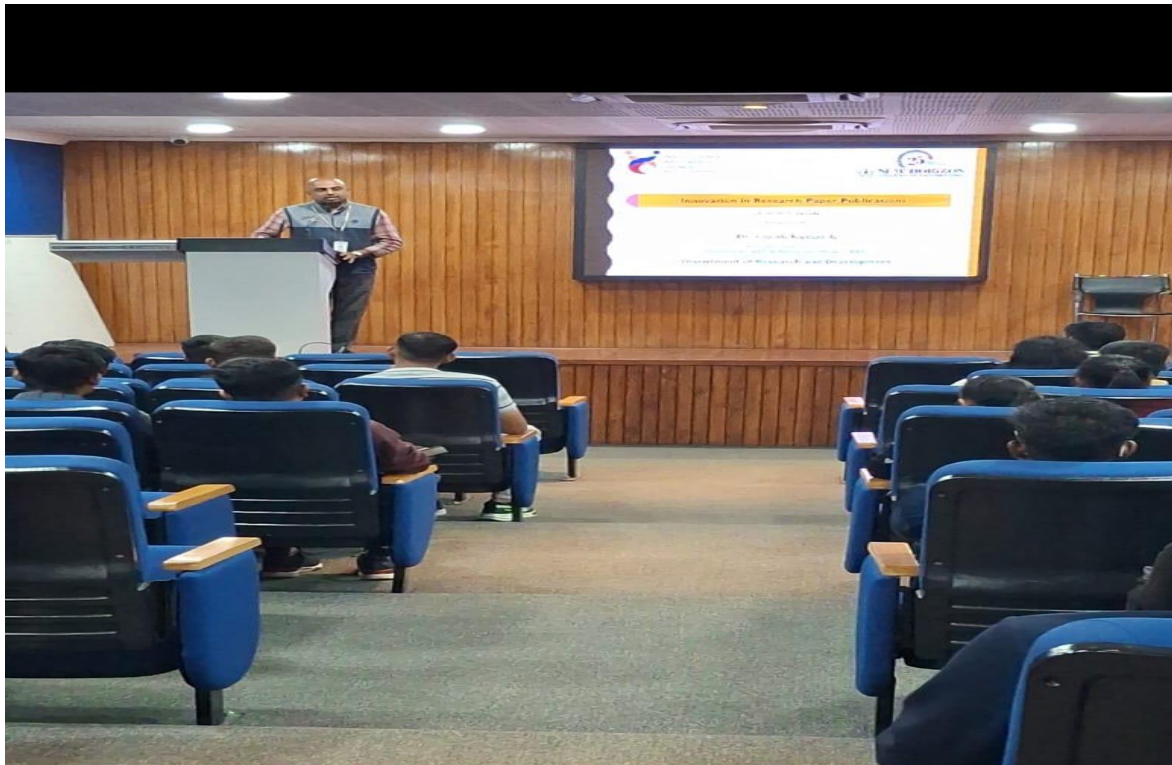

Title	Expert Talk on “Innovations in Research Publications”	
Department	Research and Development	
Date	From: 28.10.2025	To: 28.10.2025
Time	From: 02:00 PM	To: 04:00 PM
Brief Description (4-5 Lines Max)	Expert Talk on” Innovations in Research Publications” organized by Research and Development Department of New Horizon College of Engineering and IIC. The Resource person of the session was Dr. Vinoth Kumar, Professor, Associate Head Innovation Ambassador, Department of R & D New Horizon College of Engineering. This expert talk was designed in such a way that, first half of the session talks about the introduction of research, its importance in todays academic environment, its need and its understanding, the requisites of publication among faculty members. . The second half of the session is about hands on training given by the resource person to the students, wherein the resource person trained the students on research paper writing, identification of quality Q rated Journals, and the ease of getting publication through IEEE conferences. The resource person Dr. Vinoth Kumar made the faculty members understand the errors that are committed while sending the paper for publication in Journals, trained on the tricks that can make the paper selected in the Journals, as well touched on Plagiarism during the hands on training session. Also Dr. Vinoth identified several generic issues faced by writers and addressed them accordingly. Some of them are as follows – fixed mindset of not being able to write, lack of creativity, lack of vocabulary, inability to convey one’s thoughts through sentences and uncertainty of where to begin the process of writing. The feedback is very positive and encouraging, 100 student members got benefitted from the session. Objectives if the session: - To help the students to understand the need of publishing rated Journals which are recommended and accepted by various educational institutions. - To highlight the various avenues of publications. The generic issues faced by the student during publication - To highlight the errors that are committed by students while submission of their research paper to the journal. Outcome of the session: This session benefitted students, by a good understanding of Research publication, generic issues, and plagiarism.
