Event Report

Title	Expert Talk on “Turnitin iThenticate Plagiarism Software”	
Department	Research and Development	
Date	From: 17.02.2026	To: 17.02.2026
Time	From: 03:00 PM	To: 04:00 PM
Brief Description (4-5 Lines Max)	<p>The Department of Library and Information Center and the Department of R&D of New Horizon College of Engineering jointly organized an Expert Talk on “Turnitin iThenticate Plagiarism Software” on 17.02.2026.</p> <p>The session was delivered by Mr. Akshay Prasanna, Customer Success Manager at Turnitin, who served as the resource person. He provided detailed insights into the effective use of <i>iThenticate</i> for plagiarism detection, research integrity, similarity analysis, and best practices in academic publishing.</p> <p>The program aimed to create an awareness among faculty members and researchers about maintaining academic integrity and ensuring originality in research publications. The session was highly informative and interactive, benefiting participants by enhancing their understanding of plagiarism policies, similarity reports, and manuscript screening procedures. The feedback is very positive and encouraging. The eminent expert from the Turnitin delivered the lecture and talk has been very well received by the 64 participants. 64 faculty members are benefitted.</p>
