Event Report

Title	Faculty Development Programme on Effective Strategies for Enhancing Research Publication Success	
Department	Research and Development	
Date	From: 28.02.2026	To: 28.02.2026
Time	From: 02:30 PM	To: 04:30 PM
Brief Description (4-5 Lines Max)	<p>The Department of R&D at New Horizon College of Engineering organized a Faculty Development Programme (FDP) on “Effective Strategies for Enhancing Research Publication Success” on 28 February 2026 for the faculty members of NHCK.</p> <p>The primary objective of the programme was to enhance the research competencies of faculty members and provide practical guidance on improving the quality, visibility, and impact of research publications. The session aimed to address common challenges faced by researchers and to equip participants with effective strategies for successful publication in reputed journals and conferences.</p> <p>The FDP was conducted by Dr. Vinoth Kumar K, Professor and Associate Head – R&D of NHCE, who served as the resource person. During the session, he elaborated on:</p> <ul style="list-style-type: none"> Identifying quality research problems and framing strong research objectives Selecting appropriate journals indexed in Scopus and Web of Science Understanding Impact Factor, h-index, i10-index, and citation metrics Structuring research papers effectively for higher acceptance rates Avoiding plagiarism and ensuring research ethics Responding to reviewers’ comments and handling revisions Enhancing visibility through Google Scholar and ORCID profiles <p>The programme also highlighted institutional research policies, publication incentives, and support mechanisms available through the R&D Department. Faculty members actively participated in the interactive session, raising queries related to journal selection, indexing verification, publication timelines, and improving citation impact.</p> <p>The FDP concluded with a discussion on developing a consistent research roadmap aligned with institutional and national research priorities. The session was well-received by the participants and is expected to significantly contribute to strengthening the research output and publication success of the institution. 27 faculty members attended the FDP.</p>
