Event Report

Title	Sponsored/Seed Grant Proposal Writing Workshop	
Department	Research and Development	
Date	From: 14.03.2026	To: 14.03.2026
Time	From: 10:00 AM	To: 01:00 PM

The Department of Research and Development organized a Sponsored / Seed Grant Proposal Writing Workshop on 14th March 2026 with the objective of enhancing the research proposal writing skills of faculty members and motivating them to apply for funded research projects.

The workshop was delivered by Dr. Shefali Jagwani, Execom Member of IEEE Industrial Electronics Society and IEEE Power Electronics Society Bangalore, Senior Member of IEEE, IES Ambassador 2025, and former Vice Chair of the IEEE Industrial Electronics Society Bangalore Chapter (2023–2024). She is currently serving as Associate Professor and Deputy Head at Nitte Meenakshi Institute of Technology, Bangalore.

During the workshop, Dr. Shefali Jagwani shared valuable insights on how to develop strong and competitive research proposals for sponsored and seed grants. She explained the important elements of a research proposal, including identifying relevant research problems, defining clear objectives, designing appropriate methodologies, and preparing realistic budgets. The session also highlighted the expectations of funding agencies and the evaluation criteria used for selecting research proposals.

She further emphasized the importance of presenting research ideas effectively, aligning proposals with national and international research priorities, and demonstrating the potential impact and outcomes of the proposed work. Practical tips were provided on writing compelling abstracts, preparing structured work plans, and avoiding common mistakes in proposal submissions.

The workshop was highly interactive, with faculty members actively participating in discussions and seeking clarification on various aspects of proposal preparation and submission. The session provided significant guidance to participants and encouraged them to actively pursue research funding opportunities.

The event concluded with a vote of thanks, expressing gratitude to Dr. Shefali Jagwani for her insightful session and valuable contribution toward strengthening the research culture within the institution.

The eminent expert delivered the lecture and his talk has been very well received by the 69 participants. 69 faculty members are benefitted.
