**REPORT ID:** R&D 21

**VENUE:** Chanakya Seminar Hall

**REPORT CATEGORY:** Workshop

**PREPARED BY:** Dr. Vinoth Kumar K, Associate Head - R&D

**REVIEWED / APPROVED BY:** Dr. Revathi V, Dean R&D

### 1. OBJECTIVE

The workshop on "Research Paper Writing and Journal Publication Support" was organized to strengthen the research and publication capabilities of faculty members and research scholars. The primary objective was to provide practical guidance on writing high-quality research papers, selecting appropriate journals, understanding the publication process, addressing ethical issues such as plagiarism, and improving the likelihood of publishing in reputed Scopus, Web of Science (WoS), and SCI-indexed journals. The session also aimed to promote a strong research culture aligned with the institution's Silver Jubilee celebrations.

### 2. BACKGROUND / CONTEXT

As part of the Silver Jubilee Year Celebrations of New Horizon College of Engineering (NHCE), the Department of Research and Development organized this workshop on 10th July 2026 at Chanakya Seminar Hall. With increasing emphasis on quality research publications for institutional rankings, accreditation, funding opportunities, and academic excellence, there was a need to equip faculty members with updated knowledge on scholarly writing and journal publication practices. The workshop was conducted by Dr. Vinoth Kumar K, Professor and Associate Head, Department of Research and Development, to address common challenges faced by researchers during manuscript preparation and submission.

### 4. PARTICIPANT / STAKEHOLDER DETAILS (*As Applicable*)

#### Target Participants:

- Faculty
- Students
- HoDs

#### Participant Summary:

| Category              | Count |
|-----------------------|-------|
| Internal Participants | 27    |
| Total Participants    | 27    |

#### Resource Persons / Experts:

1. Dr. Vinoth Kumar K, Professor and Associate Head – R&D, New Horizon College of Engineering, Bengaluru

**Departments Involved:** BCA, BBA, B.COM

### 5. METHODOLOGY / EXECUTION SUMMARY

The three-hour interactive workshop (1:30 PM – 4:30 PM) combined expert lectures, practical demonstrations, and participant interactions. The session covered the complete research publication lifecycle, including identifying research gaps, structuring manuscripts according to international standards, preparing abstracts and literature reviews, presenting results effectively, and writing impactful conclusions. Participants were guided on selecting suitable journals using indexing databases, understanding journal metrics such as Impact Factor, CiteScore, SNIP, and SJR, avoiding predatory journals, and complying with publication ethics. Live demonstrations on manuscript submission, plagiarism checking, reviewer response preparation, and publication support resources available through the R&D Department were also provided.

### 7. FINDINGS / OUTCOMES

The workshop significantly enhanced participants' understanding of scientific writing and journal publication strategies. Faculty members gained practical insights into preparing publication-ready manuscripts, selecting appropriate journals, and improving manuscript quality before submission. The interactive discussions clarified common issues related to plagiarism, peer review, and manuscript revisions. Participants appreciated the hands-on guidance and expressed increased confidence in publishing their research in reputed journals. The programme also reinforced the institution's commitment to promoting quality research outputs and increasing publications in high-impact indexed journals.

### 8. RECOMMENDATIONS

- ✓ Organize advanced workshops focusing on discipline-specific research writing and publication strategies.
- ✓ Provide periodic training on identifying high-quality indexed journals and avoiding predatory publishers.

### 9. ACTION PLAN / FOLLOW-UP:

Track publication progress through quarterly research review meetings and recognize outstanding publication achievements through institutional research excellence awards.
