Mastering IPR in Workplace

Date: 10 July 2026

Venue: New Horizon College of Engineering, Bengaluru

As part of the Silver Jubilee Year Celebrations, the Department of Research and Development, New Horizon College of Engineering, Bengaluru, organized an expert session on “Mastering IPR in Workplace” on 10th July 2026 from 10:00 AM to 12:00 PM at Chanakya Seminar Hall. The session was delivered by Mr. Sridhar R, Partner, K&S Partners, an eminent expert in the field of Intellectual Property Rights (IPR). The objective of the session was to create awareness about the importance of IPR in professional environments and to educate participants on the protection of innovations and research outcomes. During the session, the resource person provided valuable insights into the fundamentals of IPR, including patents, trademarks, copyrights, and industrial designs. He emphasized the role of intellectual property in fostering innovation, safeguarding creative work, and enhancing competitiveness in both academic and industrial settings. Real-time examples and practical case studies were discussed to help participants understand the relevance of IPR in workplace scenarios.

The session was highly interactive, with active participation from faculty members, research scholars, and students. The Q&A segment allowed participants to clarify their doubts regarding patent filing, ownership rights, and commercialization of intellectual property. The session was informative and impactful, successfully enhancing awareness and understanding of IPR among participants. It encouraged a research-oriented mindset and highlighted the importance of protecting intellectual assets in the workplace.
